

THE
AGA ELISE
SERIES

THE AGA ELISE SERIES

In the re-imagining of the classic Elise design, AGA took its cues from the modern farmhouse movement itself. Rustic yet refined, the Elise blends old and new in masterful ways, both fresh and timeless, with just a hint of the exquisite.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined Elise confidently steps into the spotlight along side its classic AGA siblings.

36" DUAL FUEL RANGE

FEATURES

Product Dimensions: 35 ½" W x 27 ⅝" D x 36" H (inches)

The AGA Elise 36" Dual Fuel Model features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined AGA Elise 36" Dual Fuel Model confidently steps into the spotlight along side its classic AGA siblings.

36" INDUCTION RANGE

FEATURES

Product Dimensions: 35 ½" W x 27 ⅝" D x 36" H (inches)

The AGA Elise 36" Induction Range features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. The ceramic glass surface cooktop with five induction burners and integrated capacitive touch controls efficiently utilizes, transfers, and captures 90% of energy generated, as compared to only 55% with that of a traditional gas burner.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined AGA Elise 36" Induction Model confidently steps into the spotlight along side its classic AGA siblings.

48" DUAL FUEL RANGE

FEATURES

Product Dimensions: 47 7/16" W x 28 7/16" D x 36 1/8" H (inches)

The AGA Elise 48" Dual Fuel Model features three separate ovens. The first is an electric multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. A second European convection oven offers the ability to cook multiple large dishes at once using differing heating modes and temperatures, while a third dedicated glide-out broil oven allows for dedicated top-heat broiling. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components. A storage drawer stores extra racks and trays.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined AGA Elise 48" Dual Fuel Model confidently steps into the spotlight along side its classic AGA siblings.

THE
AGA ELISE
SERIES

WHEN IT COMES TO COOKING, THE AGA ELISE IS
SO MUCH MORE THAN
JUST A PRETTY FACE

Good food starts with fresh ingredients—and it's cooked to sheer perfection on an AGA Elise range.

The AGA Elise 36" features a Dual broiler system and one large 4.5 cu. ft. multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking.

The AGA Elise 48" features over 6 cubic feet of oven space amongst 3 separate ovens. The first is an electric multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. A second European convection oven offers the ability to cook multiple large dishes at once using differing heating modes and temperatures, while a third dedicated glide-out broil oven allows for dedicated top-heat broiling. Each large oven has 5 rack positions; with 4 heavy duty steel racks and one telescoping steel rack for a total of 5 oven racks.

The Glide Out Broiler System™ features Full and Half Broil mode to provide complete coverage with 4 adjustable heights and extendable gliding tray spacious enough to cook six 6-oz steaks at once.
